VOTING MACHINE CLAIMS INTEREST OF ANTIOCH MEN

F. S. Devin, Voting Machine Advocate, to Speak at Club Meeting Mon.

With the present election machinery in Lake County resulting in "just another recount in the court house at Waukegan," advocates of the automatic voting machine will have a chance to hear Frank S. Devin of Springfield, tell about its possibility at the fourth meeting of the Antioch Men's club to be held in Antioch Hotel Monday at 6:30 o'clock.

The speaker, who is affiliated with the Automatic Voting Machine Corp. of Jamestown, N. Y., notified W. J. Anderson of the program committee yesterday that he would be present at the monthly meeting of the organization to give his interesting and instructive program which has been arousing interest throughout the county.

Record attendance has been registered at the three previous meetings of the current year and with the appearance of Mr. Devin, a capacity crowd is expected Monday.

Members are urged to make their reservations early for places at the dining table by notifying either Otto S. Klass or Ralph E. Claiborne so that those who are a few minutes late will not be disappointed.

SEQUOITS INVADE WARREN TERRITORY FOR CAGE TUSSE

Grant Quints Sink Antioch in League Openers; Meet Demons Friday

With two defeats and one victory against them, Antioch High's experienced Sequoia basketball team will seek their second win over the Warren gym Friday (tomorrow) night when they will attempt to duplicate the 32 to 16 beating they gave the Blue Demons in their practice session recently.

Last week the highly touted Bulldogs from Grant Community high of Fox Lake bit the Sequoia for a 31 to 19 bite with the lanky Annan getting loose to take all the scoring laurels home with him. Until the Grant center raced away for five fast sleeper shots, the teams went along on even terms. Antioch came back in the second half to rally, but the Bulldogs' first half lead was too much for them to overcome.

The lightweights put on the evening fireworks which found the two teams battling against the final gun for the lead. Grant's ponies had the edge at the close, winning 13 to 12.

Last week Warren, although not highly thought of in the early dope, boasted Arlington Heights in the score of 19 to 16 although the Heights ponies put out the Warren lights, 22 to 10.

Among the other conference results last week Rude Barrington in a upset win over the powerful Lake Forest five. Libertyville's Wildcats upset Leyden, a favorite for the title in pre-season dope, by a 22 to 15 score. Waukegan, another school counted out of the race for the title, took Palatine into camp 22 to 20 while Bensenville outscored the Elia aggregation 27 to 24.

In the so-called lightweight department, Elia's ponies turned the tables on Bensenville, 26 to 25. Leyden tamed the Libertyville kittens, 36 to 13. Barrington delivered a 20 to 14 blow to Lake Forest. Palatine gave the Waukegan ponies a 27 to 19 basket ball lesson.

County Supervisors Reappoint Gallahue to Veterinarian Job

T. P. Gallahue, county veterinarian, was reappointed to this post for the coming year at a salary of \$3,500 plus \$900 for expenses during the meeting this week of the Lake County board of supervisors. The supervisors wrangled a bit over the "expense" item as in the past the expense for carrying on the bovine tuberculosis eradication were \$1,200 and in the economy measure passed last summer expenses of a county officer "is not to exceed \$75 per month."

Cranks Tractor—Has Broken Arm

Leonard Case, Antioch garage mechanic, had his right arm broken Tuesday while cranking a tractor on fire at the J. Haycock farm.

Antioch Pupils Give 2nd Music Festival Friday

Twenty-two selections are featured on the annual Antioch Grade school Music Festival to be presented Friday (tomorrow) night in the Antioch Township high school with all the pupils of the schools on the program. Under the direction of Hans Von Holwege, the grade school band will provide a medley composed of favorite popular selections of 1935 while the glee club will present five selections as its contribution to the program.

The first graders have been instructed by Mrs. Fern Lux and will sing four Christmas selections. The second grade program was arranged by Miss May Gailor, the third by Miss Genevieve McCallough, the fourth by Miss Aileen Wilson, and the fifth by Miss Lois Mason.

BLOOD INFECTION PROVES FATAL TO LAKE VILLA MAN

Howard Sheehan Succumbs in Waukegan Hospital Wednesday

Howard Sheehan, 27, well known young man of Lake Villa community, died early yesterday in St. Theresa hospital, Waukegan, following a month's illness due to infection resulting from a carbuncle on his spine.

He was the son of Mr. and Mrs. Daniel Sheehan of Lake Villa, where he was born and made his home all of his life. He attended the local schools and in later years opened a milk trucking business of his own. He is survived by his parents and three sisters and four brothers: Mrs. Fred Stahmer, Antioch; Mrs. Frank Slazes, Lake Villa; Mrs. John Justice, Chicago; Robert, Elmer, Joseph and Emmett, of Lake Villa.

Funeral services will be held from St. Peter's church, Antioch, Friday at two o'clock and interment will be in Ascension cemetery at Libertyville.

Bob Douglas, Former News-Sun Editor, Dies Suddenly of Pneumonia

Lake County residents and members of the newspaper fraternity were stunned yesterday by the sudden death of Robert J. Douglas, III, former city editor of the Waukegan News-Sun, who succumbed to pneumonia in his home at 410 Glendinning place, Waukegan.

Mr. Douglas, who was known to thousands as "Bobby" was 32 years old and served on the city desk of the News-Sun for several years prior to his resignation last year when he became associated with the Produce Terminal Warehouse of Chicago. He was succeeded as city editor of the newspaper by E. J. Macklin who is now serving in that capacity.

While one of the staunchest supporters of the Republican party, both nationally and locally, Mr. Douglas had the respect of the Democrats of the state and county because of his unimpeachable representation of news. He resigned from the News-Sun shortly after the first of the current year.

Mr. Douglas is survived by his widow and two sons.

Legion Officials Attend Convention in Bloomington, Ill.

Commander Frank T. Hattreue and Adjutant John L. Horan of Antioch Post No. 748, American Legion, were in attendance last Saturday and Sunday as delegates from the Post to the twelfth annual Legion Post officers' state convention at Bloomington, Illinois.

The two day session was a busy one and in attendance at the banquet on Saturday were: National Commander J. Ray Murphy, Ida Grove, Iowa; State Commander J. B. Murphy, Chicago; Senior Vice Commander, Matthew Murphy, Chicago; National Auxiliary President, Mrs. Ada Macklestone, Kansas; State Auxiliary President, Mrs. Marie Suthers, Chicago.

Illinois Leads in Membership. Antioch Post sent along thirty-five paid-up members for 1936 to help put Illinois ahead of any other state by 33,000 paid-up members. Antioch Post also registered sixteen members as legion members for ten consecutive years and thirty for five consecutive years.

In the early bird race Antioch Post was credited with having thirty-five and it is expected by December 31, 1935, that the post will have registered at least seventy-five in all.

REPUBLICANS HIT SALES TAX LEVY AT COUNTY RALLY

Rep. Lyons, Ex-Cong. Hull Attack Heavy Taxes of Horner

"High cost of sales tax" looms as the big whip state Republican party leaders will use to lay Gov. Henry Horner in their effort to dislodge Democrats from control of the State House at the gubernatorial election next fall.

This was disclosed Monday night when Rep. Richard J. Lyons of Libertyville fired the first gun in Lake county for the forthcoming primary and election campaigns in his speech before a mixed crowd of more than 1,000 at the Lake County Young Republicans meeting in Dietz Stables, Ivanhoe.

Aligned with Rep. Lyons, who centered his fire on the governor and his colleagues, were former Cong. William E. Hull of Peoria, who attacked the AAA; Cong. Ralph E. Church and Roy Barnes of Batavia, state Republican central committeemen.

George Chicago Politician. All of the tax hardening legislation in Springfield, Lyons charged, has been "rubber stamped" through the general assembly by Gov. Horner and his administration on word emanating from the Chicago city hall. He intimated that Mayor Kelly of Chicago and his associates dictated to the governor who in turn forced issues through the legislature.

"A humanitarian appeal was made to the people to urge their legislators to pass the sales tax. The three cent tax went on in July. At least \$3,000,000 collected in the sales tax during that month was to go for the unfortunate citizens and families in Illinois," Lyons said.

During the month of July, he continued, the federal government spent more than \$9,000,000 for poor relief in Illinois and local governments about \$300,000, indicating that "the state, which had pledged to use the additional one cent for unemployment relief, did not use one cent for employment relief."

Predicts AAA Unconstitutional. Former Cong. Hull predicted "that unless the AAA is declared unconstitutional, as it probably will be, there will be great distress not only to the farmer but to the consumer."

Hull likewise touched on the state administration, declaring that whoever is elected governor in 1936 should first of all repeal the sales tax.

"They took on the tax on large buildings and properties and added it to your food. This was a damnable piece of political trickery that will come back to haunt the man that played this trick," Hull said.

Obituary

Ida Florence Proctor. Ida Florence Runyard, daughter of Robert and Mary Runyard, was born at Salem, Kenosha County, Wisconsin, January 20, 1873, and passed away at her home near the City of Chetek, December 4th, 1934, at the age of 62 years.

On September 27, 1893, she was married to Norris Proctor of Antioch, Illinois, where they spent the first 26 years of their married life. They moved to their farm near Chetek, on November 9, 1919 where she resided until her death.

Mrs. Proctor was a member of the Rebekah and Royal Neighbor lodges and was an active member of the Presbyterian Church and was held in high esteem by all the neighbors and friends in the community in which she lived.

She leaves to mourn her loss, her husband, Norris Proctor, five brothers, William and Robert of Antioch, Illinois, Frank and Fred of Channah, Illinois, and Arthur of Trevor, Wisconsin.

The remains were brought to Antioch, accompanied by her husband and four sons, and were held at the Strang Funeral parlors, Rev. G. J. Hornstet, of Waukegan, Wisconsin, and former pastor of Chetek, officiating. Interment was made at the Grass Lake cemetery.

Antioch Legionnaires Plan New Year's Party at Pasadena Gardens

Plans are underway by members of the Antioch American Legion post for a New Year's Eve celebration to be held at Pasadena Gardens. It is announced by the committee in charge. The program includes a dinner, dance, favors, a good time for everyone, and Smitty's original orchestra, the program committee reveals.

It Won't Be Long Now

ANTIOCH P-T A. HEARS DENTAL TALK

E. A. Smith, Libertyville, Tells Parents to Watch Those "6-yr." Molars

Dr. E. H. Smith, Libertyville dentist, who is affiliated with the American Medical association, gave an interesting informal discussion on oral hygiene at the meeting of the Antioch Grade school parent-teachers association Monday night.

Dr. Smith explained that parents generally neglected to preserve the so-called "six-year molars" of their children as they believe the molars to be "baby teeth" which are replaced. It is necessary to inspect these molars from the start as decay from the "baby teeth" very often destroys these permanent teeth.

Following the installation of Dr. L. John Zimmerman, the following committees were announced:

Program committee—Mrs. Herb Vos, chairman; Mrs. Jos. Patrovsky, R. E. Claiborne.

Finance and budget committee—Mrs. Virgil Feltner, chairman; Mrs. James Dunn, F. O. Hawkins.

Membership committee—Mrs. W. J. Anderson, chairman; Mrs. Lester O. Leonard, Mrs. L. Van Patten, Mrs. Arthur Trieger, Mrs. L. J. Zimmerman.

Mrs. C. L. Knell.

Richard Martin of Millburn provided the evening's entertainment with several dramatic readings.

SANTA CLAUS IS COMING TO ANTIOCH

To Greet Children of Community at Reeves' Drug Store

Jolly Old St. Nicholas in person will be at Reeves' drug store Saturday evening, December 21, at 7:15 o'clock and he has sent word that all young children of the community are invited to be at the store at that hour. There will be gifts for all. Old Santa himself will personally greet the young stars.

For the last ten years S. H. Reeves, owner and proprietor of the store, has held open house for little boys and girls at his store just before Christmas. Commenting upon the forthcoming event Mr. Reeves today recalled the one and only Christmas celebration he was privileged to attend during his childhood. That was when he was about five years old, but the occasion made a lasting impression on his mind, and today he seeks to add to the joy of the gala Yuletide season so cherished in the memory of juveniles of all time.

Chicago visitors on Tuesday were: Mrs. Edmund Vos, Mrs. George Garland, Mrs. William Barnettable and Otto Klase and children.

Mr. and Mrs. Leonard Volto and family of Chicago spent Sunday with Mr. and Mrs. Robert Mann.

RECOUNT BACKS ALFORD'S CLAIMS

Canvassing Board's Tally for Avon 2 Shows 100 too Many for Hendee

County Clerk Russ Alford's contention in circuit court which was upheld in the supreme court against former County Clerk Lew A. Hendee that the canvassing board's returns were not in accord with the votes cast was affirmed again this week by the court of the actual ballots.

This was disclosed in the current election recount in Waukegan when the election commissioners went to work on the second Avon precinct. Alford's contention that the canvassing board, of which Hendee was a member, gave Hendee approximately 100 more votes than he actually received was proven. Actual counting of the ballots disclosed that Alford, and not Hendee, won the disputed precinct 254 to 202—not 301 to 254 in favor of Hendee as the official canvassing board reported.

As the recount progresses, the ballots counted in 22 of the county's precincts continues to give Alford a consistent lead.

With Antioch's precincts already counted the results of the election commissioners give Alford 301 votes in Precinct one to 237 for Hendee with 4 contested for the former and 2 for the latter to be decided before Judge Perry L. Persons. Antioch precinct two totals by the commissioners give Alford 194 to 333 for Hendee with 6 and 3 contested ballots respectively. Antioch precinct three was not changed as compared to the canvassing board's figures with Alford the winner, 54 to 48.

WPA PAYS \$11,019 IN LAKE COUNTY

First Checks Distributed to 217 Workers; List 1,475 Persons on Co. Projects

Pay checks totaling \$11,019 were distributed to 217 workers on WPA and other federally-financed work projects in Lake county between Oct. 16 and Nov. 15, according to the first periodical statistical report made public today at regional WPA headquarters in Chicago.

Although 1,475 persons were working on WPA projects in the county at the close of last week, according to figures announced at district headquarters in Rockford, relatively few of these were working during the month covered by the new payroll report.

Payrolls in the entire twenty-one counties of the Rockford WPA district during the Oct. 16 to Nov. 15 period totaled \$123,435 and checks went to 3,965 workers. These figures included both projects under direct WPA supervision and others financed from the federal work fund but operated directly by other federal agencies.

At the close of last week, 13,072 men and women in northern Illinois were employed on 363 WPA projects then in operation.

Rotnour Announces Colorful Drama at Crystal Friday Night

J. B. Rotnour Players continue in play to full houses at the Crystal Theatre each Friday night. This week's presentation will be "The Gypsy," a colorful drama with abundance of action and an excellent Swedish character in the principal role.

The next week the company will offer "Why Some Men Don't Marry," the only farce comedy that will be presented from the Crystal stage this season. J. B. says it's a smash. Get free tickets from merchants listed in the Crystal ad.

An important announcement will be made from the stage this Friday night.

Grade School Cagers Win Pair from Gavin; Play Mundelein Thurs.

The two basketball teams of the Antioch Grade school sent the Gavin representatives home last night with the short end of the scores, the first team gathering in a 25 to 19 victory and the "B" squad lads getting a 17 to 8 verdict. The local Graders went to work on Gavin with the opening whistle and stayed in the lead throughout the contest. Next Thursday the Antioch lads meet Mundelein to play off a 13 to 13 tie which was the result after playing three overtime periods.

PROPOSED CONSTITUTIONAL AMENDMENT

A great deal of debate is still going on concerning the possibility of a new constitutional amendment to give Congress and the Executive powers which the Supreme Court, in the NRA and similar cases, has decided they do not now possess.

A short time ago Walter Lippman, the well-known publicist, challenged an editor who has often written in favor of the amendment, to put it into words—that is, to prepare the text of such an amendment in the clear and legal form in which it must be submitted to the people. It was Mr. Lippman's expressed belief that no one could do it—and his belief was partially proved when the editor replied that the job was beyond him.

The actual preparation of such an amendment would seem a task almost beyond human power. How could we further centralize and augment powers of the Federal government—and at the same time preserve the rights of states, which are at present guaranteed by the Constitution? How could we give to the government at Washington absolute and dictatorial powers over commercial and industrial life—which is what the sponsors of the amendment want—and at the same time keep operative the existing Constitutional guarantees that protect the lawful activities of individual initiative and enterprise? How could we give into the hands of politicians sweeping authority over our basic social and economic institutions—and at the same time make sure that such fundamental principles of democratic government as freedom of press, speech and action were not infringed?

The Constitution has existed for more than 150 years. It has made possible our growth from a handful of relatively unimportant colonies to the greatest industrial power in the modern world. It has preserved, in the face of a hundred onslaughts, the human rights and liberties for which men have fought since the dawn of

time, liberties which have been entirely destroyed in other nations. It has given us the highest standard of living for the masses, in the world. Perhaps those who would emasculate and change this document are less wise, less foresighted, less in tune with the forces that make for freedom and progress, than were those great men who wrote it.

YOU MAY BE NEXT

It is one of the human failings to regard with complacency efforts to overtax or over-regulate the fellow next door. Most of us don't stop to think that if such efforts are successful, and the politicians get their hands on one business, some other business will be next in line for their attentions.

Possibly you favor higher taxes on gasoline. If so, then remember that it may not be long before we have higher or new taxes on the candy business, the tobacco business, the insurance business, or whatever business you are in.

Or, you may favor special punitive taxes against chain stores of one kind or another. The inevitable follow-up of that will be special taxes against other types of stores. That has already been suggested in at least one state, where some of the backers of a special chain-store tax are casting longing eyes on independent groups of merchandisers.

FARM INCOME UP

Farmers' sales of principal agricultural products brought in a total return of \$4,215,217,000 during the first nine months of this year. Totals for the same periods in 1934 and 1935 were \$3,822,052,000 and \$3,238,853,000, respectively. These totals do not include government rental and benefit payment.

All major regions, with the exception of the Southern Central and South Atlantic, shared in the improvement. Experience was especially favorable in the East North Central area, where receipts jumped 23 per cent over last year.

Much of the credit for this encouraging change in farm income is due to economic factors. But a share of the credit must go to the farmers themselves who, through cooperative effort, laid the groundwork that enabled them to take advantage of changing times. Farm cooperatives are stronger now than they were before depression—they are more aggressive—they have more members. Those members are reaping the well-earned fruits of their efforts.

U. F. High School

Wilmot took a beating from Clinton in its first Conference game on Friday night at the Wilmot gymnasium, 18-10. Clinton took the lead in the first quarter and Wilmot never threatened again in the game.

Although Wilmot did not have much in scores they played a very good defensive game and held the Clinton Tigers to 13 points.

High point scorer for Clinton was B. Shattuck with four field goals and one free throw. Nelson took the lead for Wilmot with two field goals and a free throw.

The next conference game will be Friday the 13th, at Williams Bay with Williams Bay high school team.

"Grill Shy," a light comedy of college life will be presented at the Wilmot gymnasium at 8:15 on Saturday night, December 14. Miss Ruth Thomas is directing the cast chosen from members of the Junior class. The play promises to be good entertainment and interesting numbers have been provided for between acts.

Marlin Schurr attended a conference of the State Department of Public Instruction at Elkhorn on Wednesday.

On December 19 Waterford will play Wilmot at the West gymnasium in the third conference game of the season.

Anna Mare, Catherine, Patricia and Peggy Carey, of Twin Lakes accompanied Grace Carey to Chicago on Monday.

Malta's History in Rocks

Before history came to be written in books Malta's history was being written in the rocks. The island is curiously scored with cart runs thousands of years old which cut at the coast and seem to show that here is a fragment of what once was a much larger territory. The island was Phoenician. There are dark temples to be explored, hewn out of rock, with mysterious passages and, in one case a hole in the wall which serves as a megaphone through which the priest, as deity, could thunder forth his oracle. Rock temples, built by masons, include huge altars that suggest ancient sacrifices.

Trier's Important Role

Trier cannot escape an important role. Its very location determined that it should be respected. In ancient times it occupied a central position behind the Roman frontier on the Rhine and was a focus of routes radiating from Gaul to Mainz, Cologne, Andernach and Cologne. It had unusual military importance. In later times it passed back and forth between nations like a pawn, now to France after the French revolution and then to Prussia in 1814. Its standing as the capital of a Prussian governmental district enhanced its reputation.

Myrtle N.—Because you can't see with them shut. (?)

Miss Smith has threatened to "paste" the members of the book-binding class on the nose if they don't finish their work before Christmas.

In the meantime she is making the paste.

First student—Did you hear about the robbery last night?

Second student—No.

First student—A garter attempted to hold up a stocking but the stocking ran, darn it.

"Fight Like Kilkenny Cats"

The expression to fight like Kilkenny cats means to fight till both sides have lost their all; to fight with the utmost determination and pertinacity. The story is that during the Irish rebellion in 1788 Kilkenny was garrisoned by troops of French soldiers, who amused themselves by tying two cats together by their tails and throwing them across a clothes line to fight. The authorities resolved to put a stop to the "sport," but on the officer on duty approaching one of the troops cut the two tails with a sword, and the cats made on.

When the officer inquired the meaning of the bleeding tails, he was told that two cats had been fighting and had decimated each other all but the tails.

Castle of Chillon

The famous Castle of Chillon is in Vaud canton, Switzerland, is at the east end of Lake Geneva. From the early Thirteenth century to 1630, when it was taken by the Bernese, it belonged to the dukes of Savoy. It was later used as a prison and an arsenal and has frequently appeared in literature, notably in Byron's "Prisoner of Chillon." It is now a museum.

Termite Bolls Tunnels

The termite enters a building from nests in the ground and builds tunnels extending up to sills, joists, floors and interior trim. Here the pest gets to work eating its way through the wood, weakening the timber until it is a dangerous and uninhabitable building beyond repair.

LAKE VILLA

Obituary

Marion Wright was born at Cadiz, Ohio, March 23, 1850, and departed this life on Nov. 29, 1935, at the age of 85 years, 8 months and 6 days. Early in life he came from his boyhood home to Illinois, and for the

last 30 years has lived in Lake Villa, Illinois. His many deeds of kindness and ever present smile endeared him to all who knew him. He leaves to mourn his passing, one daughter, Mrs. Mary Belle Gamen of Berwyn, Ill., and one son, Charles Wright of Lake Villa with whom he made his home.

Also of Berwyn, and two granddaughters, Mrs. George Slaby, also of Berwyn, and George Slaby, besides other relatives and many friends.

Funeral services will be held at the home of Mrs. Harry Nickerson, 1110 N. L. St., at 2 o'clock on Friday.

Interment will be in the cemetery at Lake Villa.

Little Gene Ray Nickerson, young son of Mr. and Mrs. Harry Nickerson, fell from a step-ladder early last week and broke his right arm in two places, but since the bones have been set he is recovering nicely.

Mrs. Stella Pedersen was hostess to her bridge club at her home last Thursday at a luncheon, and the prize winners were Mrs. Ruth Sheehan, Mrs. Thekla Maier and Mrs.

Marie Hamlin.

La Verne Dixon of Gurnee assumed his new duties as principal of the Lake Villa grade school on Monday and we hope for him a very happy and successful year ahead.

Mrs. Beatrice Shorwood visited her mother, Mrs. William Williamson, in the Victory Memorial hospital on Monday.

John Eminger is able to be at his hardware store again after nearly two weeks of nursing an infected finger.

Mrs. Mary Peterson, who is recovering from a gall bladder operation at the Lake County general hospital, is recovering slowly, and is still confined to her bed.

The Sunday school of the Lake Villa Community church will have its annual Christmas tree and program at the church on Christmas eve and it is hoped that all will enjoy this pleasant occasion.

Will those who have items which are of interest to the community kindly call L. V. 110-M by Monday or each week as your correspondent can not possibly get the news without cooperation and will appreciate it.

Mrs. Mary Caille was taken quite ill last week and she was found to be suffering from an attack of appendicitis. She was taken to St. Theres

hospital early Saturday evening and an operation was performed immediately. Considering her advanced age, which is 73, she is recovering nicely.

Mrs. Viola Kapple of Graylake called on her sister, Mrs. Gertrude Perry, last Saturday.

The card party given by the Fox Lake Cemetery association last week was well attended in spite of rain and the committee reports a balance of \$50.00 for the association. The hall was well filled and bridge, 500 and buncas were played. Winners in bridge were Mrs. Madison, Mrs. E. Miller, Mrs. Z. Hucker, Mr. C. Doolittle, Al B. Maier and Chas. Kelly; those winning in 500 were Mr. and Mrs. George Brandstetter, Mrs. C. Martin, Mrs. B. J. Galliger, Mrs. S. Dibble, Leo Barasable, Phil Anderson and George Thompson; and in Buncas, Mrs. Carl Bock, Mrs. V. Hook and Junior Tweed. The committee wishes to thank all who helped to make this party a success. Mrs. Vivian Geler was the winner of the door prize.

Greatest Lacquer Artist: Ogata Koria, who lived from about 1635 to 1716 was regarded as Japan's greatest lacquer artist. He developed the Koria school of decoration, which is idealistic and distinctly Japanese in feeling. His lacquer work is preserved in private collections and museums.

The Rev. L. V. Stiller.
Church School 9:30 A. M.
Worship Service 10:15 A. M.
Sermon theme: "The Philosophy of a Cynic."

There are a great many people who are willing to accept the benefits of a church in a community without accepting any responsibility toward its support or recognizing its claims upon their time or interest. But there are few people who would desire to live in a community without a church or some similar religious organization. Give the church your support by at least attending the services. Christmas Season is a season for rejoicing: "Come, let us be joyful," and worship God.

MILLBURN

The annual meeting and dinner of the Ladies Aid Society held at the Masonic Hall on Thursday was well attended. The following officers were elected for 1936: President, Mrs. George Wilho; Vice President, Vivian Bonner; Secretary, Mrs. Emmett King; Treasurer, Mrs. W. M. Bonner. Word was received Monday morning of the death of Mrs. W. B. Stewart, former resident of Millburn, who passed away at a hospital in St. Petersburg, Florida, early Monday from injuries received when she was hit by an auto Sunday evening. Mrs. Stewart left her home in Waukegan early in November to spend the winter in Florida, as has been her custom for many years. Her body will be brought to Waukegan and funeral arrangements made up the arrival of her brother, Eugene Strang from California.

Hickory Unit of Home Bureau will meet at the home of Mrs. Emmett King Thursday, Dec. 19th. Each member is asked to bring a small box of candy or cookies made from recipes received in Home Bureau work.

Mr. and Mrs. Robert Erwin of Waukegan, Mr. and Mrs. Warren Edwards and family of Hickory spent Sunday afternoon at the George Edwards home.

Mr. and Mrs. Warren Hook and Mrs. John Clark spent Thursday at Union Grove, Wis.

Mrs. Emily Mann of Hickory spent Wednesday at the D. B. Webb home.

Mr. and Mrs. E. A. Martin spent Friday in Chicago.

Marion Elsbury spent Saturday and Sunday with Billie Herlick.

Miss Elizabeth Stuber of Geneva spent the week-end with Mrs. Ralph McGulre.

Miss Una Minto spent several days with friends in Chicago.

Mr. and Mrs. Warren Hook left Monday morning for Miami, Florida, where they will spend the winter with the latter's mother, Mrs. Burge.

Mr. and Mrs. Harold Hucker and daughter of Graylake were callers at the Marcus Hoffman home Sunday.

Evan Davis of Castano, Iowa, is visiting at the home of his aunt, Mrs. H. E. Jamison.

Mr. and Mrs. Robert Bonner and sons spent Sunday at the Beaumont home near Kansasville, Wis.

The teachers and officers of the Sunday School met at the parsonage Tuesday evening.

The Sunday school and church services will be combined on Dec. 22nd, and a program will be given by the children.

The Sunday School is sponsoring a community tree on the church lot on Monday evening, Dec. 23, with singing of Christmas carols and distribution of gifts.

Dinosaur Marks Found
on New England Cliff

Rumney, N. H.—Footprints of a giant prehistoric animal, possibly of the dinosaur family, have been discovered on a cliff behind the summer home here of George C. Frollich.

The marks of the clawlike tracks measure 6 to 8½ inches long. The discovery supports the contention of scientists that Mesozoic monsters sat to 70 feet tall once roamed this district.

Alive? He Has Much
Trouble Proving It!

Prague.—A Bohemian farmer is trying hard to prove that he is alive—so far without success.

Unless Robert Gurnel, of Zatec, can satisfy the authorities that he is living, his "widow" will have to pay inheritance taxes on her "late" husband's estate.

When his wife received the demand for taxes, her husband protested to officials that he was alive.

The officials agreed that there must have been some error some where, but pointed out that they were in no position to make the necessary correction unless Gurnel could produce a certificate proving that he really was alive.

The fact that the parish church at which Gurnel was baptized and married did not mention his death in its register was not accepted as proof that he was still living.

Assorted Deserts For Wide Range Of Occasions

An assortment of appetizing deserts for a variety of occasions:

Grapefruit and Pineapple Shortcake
 1/2 cup pineapple syrup
 1/2 cup grapefruit syrup
 2 tablespoons sugar
 2 cups diced pineapple
 2 cups canned grapefruit sections
 Baking powder biscuits
 Boil together the syrups and sugar. Cool, add diced pineapple and grapefruit sections and serve hot on rich baking powder biscuits, split and buttered.

Grapefruit Pudding

2 eggs well beaten
 3 tablespoons sugar
 3 tablespoons chopped suet
 2/3 cup flour
 1/2 teaspoon baking powder
 1/2 teaspoon soda
 1/2 teaspoon salt
 1 cup dry bread crumbs
 1 1/2-ounce can grapefruit
 4 tablespoons sugar
 Beat eggs well, add sugar, suet, flour, baking powder and soda and salt. Add the dry crumbs. Meanwhile, mix grapefruit, 1 tablespoon sugar and cook to a thick jam. Cool and add to first mixture. Pour into greased mold, cover and steam 1 1/2 hours. Serve with your favorite pudding sauce. Serves eight.

Maple Nut Ice Cream

20 marshmallows
 1 cup milk
 1 egg, beaten
 Few grains salt
 1 cup cream, whipped
 1 teaspoon maple extract
 1 cup chopped nut meats
 Place the marshmallows and milk in top of double boiler over rapidly boiling water. When marshmallows are dissolved add one egg, well beaten, and salt. Remove from fire, cool, pour into refrigerator tray and freeze to a thick mush. Remove to a bowl, or leave in tray and beat to a fluffy mass. Fold in one cup whipped cream, add flavoring and chopped nuts. Return to tray and freeze without stirring. Serves six.

Knitted Dresses May Be Washed at Home

Most of the popular knitted or crocheted woolen dresses can be safely washed if the proper care is taken in doing it. First of all it is necessary to mark out the shape and size of the dress on a flat surface (or measure it) before washing so that it can be stretched back into shape when spread on a flat surface to dry. In the washing process use only warm, soft water and suds made from melted soap. Use water of the same temperature for rinsing because a sudden change of temperature may shrink the garment. Do not wring the dress because that will stretch and wear the fibers. Simply squeeze the water from the dress and stretch it out to dry, turning it over frequently to allow both sides to dry evenly.

Make-up Should Be Removed before Retiring

Thanks to our cosmeticians modern feminine make-up in itself is not harmful. However, if it is allowed to clog the pores of the skin it can do serious damage. Therefore it is essential to remove all make-up at night to give the pores a chance to breathe normally and function properly. In fact, failure to remove her make-up before retiring is declared to be one of the most serious beauty sins a woman can commit. Beauty experts advise removing make-up with a good cleansing cream and soft tissue, then washing the face and neck with soap and water.

Law Career Finds Favor with Women

There was a time when women lawyers were considered "curiosities." But time has changed all that. Today law careers for women are being urged. Prominent women attorneys, jurists, politicians and business women are all agreed that the legal profession is a good one for women. Because of their ability and efficiency and dignity women lawyers and jurists are rapidly gaining recognition. While this profession has its drawbacks it also has its rewards. Like all other professions the field is pretty crowded already, but again as in all other professions there is still room for good lawyers.

Ammonia Cookies

1 oz. carbonate of ammonia
 5 teaspoonfuls oil of lemon
 2 eggs
 1/2 cup lard
 1/2 cup milk
 1 cup lard
 Dissolve ammonia in milk, beat lard and sugar together, beat eggs separately, mix all together. Add 1/2 cup flour to mix so as to handle easily in cutting for cookies. Sprinkle with sugar before baking.

Glamour, Romance in Evening Dress

By CHERIE NICHOLAS

IF THE revival of the luxurious, the more elegant, the romantic, the dramatic, the glamorous in fashion indicates a turning of the tide as they say, it does, from a season of depression to an era of prosperity and good times, then indeed have we cause to rejoice for the present signs in the matter of opulent dress are most propitious.

The new fashions, especially formal modes, are not only glamorous and elegant beyond anything known for years but they add to their fascination in that they seem to have recaptured the glories, the poetry, the vision and the imagination, the art, as expressed in lovely apparel created throughout the ages.

At a recent style showing given by the Chicago wholesale market council the gowns for formal wear, three of which are herewith illustrated, confirmed the feeling that we are entering a fashion era wherein a new spirit of elegance pervades.

Eloquent of classic beauty and statuesque dignity which carries the grace of sculptural lines are the new evening gowns of Grecian inspiration. Extreme interpretations of modes in the Grecian are seen in the draped themes of Vintet and other Paris designers. Long flowing scarfs, huge wing sleeves, draped side pleatings are all shown in the new soft, quality-kind silk crepes and velvets. Other gowns show skirts pleated all around of floating billowy masses of chiffon, or slim dresses with draperies (often pleated) in long cascades from the shoulder, to form a short train at the side or back.

Sumptuous fabrics, for which the present season is noted, bespeak the rich beauty of Italian indulgence, especially the magnificent velvets in warm deep purples and reds and greens, such

Helpful Hints

A teaspoon of lemon juice added to the rice while it is cooking will make it whiter and fluffier.

Avoid using too much water when making pastry.

Both apple and rhubarb combine readily with other fruit flavors.

A little baking soda in water in which hair brushes are washed will help cut the dirt and grease.

When putting lace curtains on a flat rod stick a table knife on the end of the rod and pull the curtain over the handle of the knife.

Corn muffins and corn pone will not stick if the pan is greased well.

Fruit cocktails flavored with grape juice are excellent for party refreshments.

Indelible ink marks can be removed from white fabrics by applying a solution of equal parts of ammonia and turpentine.

Colors in cotton garments will not run when laundering if a tablespoon of black pepper is added to the suds.

A chamomile should be washed in warm soapy water and placed on a flat surface to dry.

Large potatoes will bake quicker if cut in half before being placed in the oven.

Icings will not run off of cakes if the cakes are first sprinkled lightly with cornstarch.

In baking your Christmas cakes remember a pan of water in the bottom of the oven until the last hour of baking will prevent the cakes from drying.

The best temperature for baking fruit cakes is generally between 275

and 300 degrees Fahrenheit.

Many Changes Have Been Made in State Pauper Relief Laws

(by John Stelle, State Treasurer)

As Pauper Relief seems to be occupying the attention of this Special Session of the Legislature to a great extent perhaps a short resume of Pauper Relief Legislation in this state might be interesting.

Prior to 1874, the Illinois statutes contained a provision whereby counties on a referendum might adopt township support of paupers. A few counties took advantage of this legislation. In 1874, the present law was enacted as a part of the statutory revision at that time. This 1874 Act provided that counties should support paupers except in cases where the township support had been adopted under an earlier law. The 1874 legislation did not contain any provision whereby additional counties might adopt township support but it did contain a provision (Section 35) whereby township support might be abandoned.

There was no change in the 1874 Act so far as the duty of providing relief was concerned until the Finn bills were passed in 1931. These bills provided that the townships in counties under township form of government of less than 500,000 population should support the paupers therein. In Cook County and commission counties, the burden was left on the county.

It appeared impossible to increase the county levy or to permit a special levy for county purposes. Accordingly, the burden was shifted to the townships, mainly for the purpose of securing additional funds. In 1935, the Lantz bills were passed by the Legislature. These bills provided that the townships and counties under township form of government and Cook County, outside of Chicago, should support their poor.

At the 1933 session, a bill was passed which became a law providing a limit of fifty cents on the township levy for poor relief in townships of less than 7,000 population. In 1935, the Hickman-Lantz Bills were passed which placed the burden of poor relief uniformly on all counties in the state and removed the burden from townships. The Finn bill introduced at this Special Session proposed to shift the burden of relief back to the townships and counties under township organization of less than

GAS HEAT AT OUR EXPENSE

FREE TRIAL OFFER ENDS DECEMBER 21, 1935

Thousands of satisfied users prove value. Gas Heat no longer on trial. To give everyone an opportunity to install it at our expense we are making this announcement. Act quickly.

TWO heating seasons ago, intrigued by the thought of constant, comfortable heat without the dirt and discomfort of old-fashioned heating methods, thousands took advantage of an offer to try gas heat without investing one cent for equipment. Today these thousands of satisfied users have more than proved gas heat's worth. They have shown beyond all doubt that gas is the ideal fuel for heating the home. Our trial offer has served its purpose — to acquaint these users with gas. Therefore, the free trial offer will be discontinued on December 21, 1935.

If you haven't yet done so, we want you, without investing one cent for equipment, to learn as these thousands of others have done, what a marvelous thing gas heat is. But you'll have to act NOW. Here's what we'll do. We'll install gas heat in your present furnace or boiler entirely at our expense. You can try it for a month, two months or a year. While you are trying it you will have to pay only a small rental — only \$3 a month for the burner during the heating months in the average home. This charge is included with the bill for the gas you use. Then, if at any time within the year, you would like to return to your former fuel we'll replace your former heating equipment in good order at our expense. But if you decide to keep gas heat, as these thousands of happy users did, the rental you have paid is applied on the purchase price of the equipment.

Act right away. Take advantage of this free trial offer before it's too late. You have only until December 21, 1935, before the offer is withdrawn. Simply call your nearest gas company office for complete details and for free estimate of what it will cost to heat your home the modern way—with gas.

DO THIS NOW

To try gas heat without investing one cent for equipment, call your nearest Public Service Company office today for complete details. This offer is good only until December 21, 1935.

Church Endorsed for Renomination By Committeemen

Ralph E. Church, only Republican congressman from Cook County (whose district also includes Lake County) was unanimously endorsed for renomination Friday, December 6th, by all of the committeemen that make up the Cook County Republican Central Committee of the Tenth Congressional District which he represents.

The action was taken by the entire membership of the Republican County Central Committee of wards 41, 43-50, inclusive, and the townships of Evanston, New Trier, Niles and Northfield, and marks the first endorsement of a Republican candidate for Congress by the County Committee.

Never Missed Roll Call
In the resolution adopted by the committeemen, Cong. Church's militant record in Washington was cited, as well as the fact that he never missed one roll call during his term. The resolution pointed out that fighting Republicans are needed in the congress rather than "rubber stamps."

Railway Express Agent Says Company Expects Best Xmas Since 1929

The Christmas holiday season this year will be the biggest since 1929, according to George Kuhaup, local agent of the Railway Express Agency, who says his company is anticipating exceptionally heavy traffic from now until the end of the year. Kuhaup stated that a survey by the Express Agency indicates that "the American people spend nearly \$3,000,000,000 for yuletide gifts for their children, relatives and friends during December. With conditions improved, they will undoubtedly open their purse-strings more freely than ever." Late holiday shipments will be accepted, he said, if these permits arrival at destination on or before Christmas Day.
